Torres Abonce Luis Miguel

Ejercicio 1:

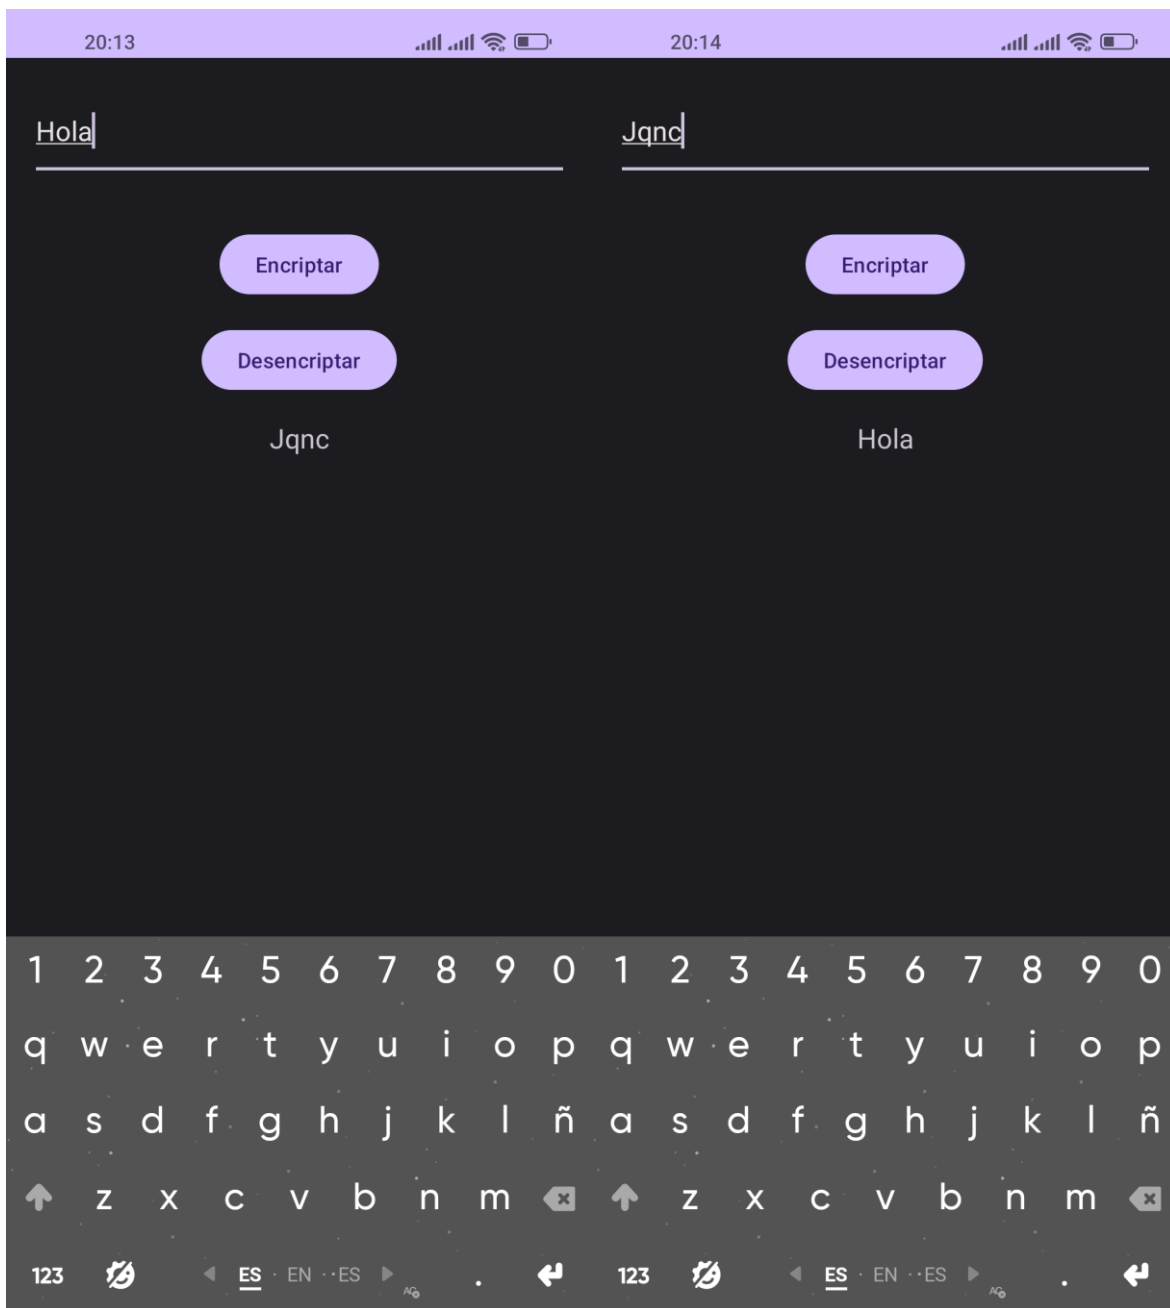

Ejercicio 2:

The image shows a mobile application interface with a dark background. At the top, there is a status bar with the time 20:13 and icons for cellular signal, Wi-Fi, and battery. Below the status bar, the text "Introduce un texto para encriptar/ desencriptar" is displayed in a light gray font, followed by a horizontal line. Underneath the line, there are two rounded rectangular buttons: the top one is labeled "Encriptar" and the bottom one is labeled "Desencriptar". Below these buttons, the text "Resultado:" is visible. The rest of the screen is empty.

Torres Abonce Luis Miguel

Ejemplo Intentos:

The image displays two side-by-side screenshots of a mobile application interface, likely for a text-based game or chat. Both screenshots have a purple status bar at the top showing the time as 18:04 and icons for cellular signal, Wi-Fi, and battery.

The left screenshot is titled "Escribir:" and shows a text input field containing the text "Luis Torres". Below the input field is a grey button labeled "ACEPTAR".

The right screenshot is titled "Segunda actividad:" and shows a text input field containing the text "Hola Luis Torres".

Ejercicio 1 Intentos:

The image shows a mobile application interface for solving a system of linear equations. At the top, there is a status bar with the time 18:01, signal strength indicators, and a battery icon. Below the status bar, the text "Escribir:" is followed by three input fields containing the numbers 1, 15, and 2. To the right of these fields, the text "Segunda actividad:" is followed by two input fields containing the numbers 0.13 and 14.87. Below these input fields, the results are displayed as "x1 = -0.13, x2 = -14.87". At the bottom left, there is a button labeled "CALCULAR". The interface is in Spanish and has a dark background.
